Dear Mr. Weisberg:

I am enclosing the video with the A & E shows. I hope it is alright. I tried to edit out the commercials.

I still hope you can find Oswald in New Orleans

I hope you do not think ill of me but I have to at least hear what people have to say at the conference. I am mainly interested in finding pictures of the crime scene. I have written to the assassination archive and research center and hope to hear from them soon.

Respectfully

Joseph Backes
